## Points to Ponder

Welcome to the Family of St. Andrew, St. Elizabeth Ann Seton, and St. Veronica Churches, now a Family of Parishes. We are a week into the life of our parishes as a Family, the very beginning of our working together.

In the literature that I have read about parishes joining in ministry and discipleship together, hospitality is the major dynamic of people feeling that they belong. This makes good sense; one author I read noted that the first thing we should be concerned about is gathering together with food. In fact, in any way that we can gather informally, with no agenda except to get to know one another is a vital part of parish life.

Again this week I want to remind all parishioners from all three parishes that we will gather for our Family of Parishes picnic on August 14 at Jesuit Renewal Center from 4:00-6:30. More details elsewhere, but I want to make sure the date is on your calendar.

Thanks to every one who made the St. Veronica Festival such a huge success this year. Many people took time off work, used vacation, or worked all day and then came to help in the evenings and during the days of the festival. Recognizing that so many people gave so much time, thanks especially to Jad & Jamie Buckman, Mike & Tracy Moran, Chuck and Carol Glaser, all the booth chairpersons, and so many people that worked behind the scenes. It was very clear that people wanted to get out, socialize and have some fun. St. Elizabeth Ann Seton's Festival is coming up August 19, 20 & 21, 2022. We look forward to supporting our festival there next month.

Finally, I hope everyone is carving out a little bit of time in these fleeting summer month for time to relax, enjoy a change in routine, and spending some time in reflection, prayer and meditation. These are all the things we need to get re-charged and ready for fall, when things tend to get very busy again. Our reading from Deuteronomy gives us some direction on a starting point: "For this command that I enjoin on you today . . . it is something very near to you, already in your mouths and in your hearts; you have only to carry it out."

### ***Slight Assignment Delay for Fr. Ben & Fr. Alex***

I received word that the effective date for assignment changes for Fr. Ben and Fr. Alex has been delayed a bit. As I think you know, both of these priests are working to become U.S. citizens, and so everybody involved is learning how the process works in order that we are in conformity with the Office of Immigration. The Archdiocese of Cincinnati is requesting, and filing, paperwork to be submitted to amend the locations where Fr. Ben and Fr. Alex has permission to work. We do not know how long this process will take.

Because their places of ministry are so specific, Fr. Ben and Fr. Alex will continue working in the locations where they are presently approved and assigned, while the other priest assignments take effect as planned on July 1.

I'll keep you informed.

-Fr. Del
